USDA Reminds Producers of Upcoming Livestock Disaster Assistance Deadline

The U.S. Department of Agriculture reminds livestock producers that the Jan. 30, 2015, deadline to request assistance for losses suffered from Oct. 1, 2011 through Dec. 31, 2014, is fast approaching.

The Livestock Indemnity Program provides financial assistance to eligible producers for livestock deaths. Losses can be caused by adverse weather, extreme temperatures, disease, or wildfires, or due to attacks by animals reintroduced into the wild by the federal government or protected by federal law, including wolves and avian predators.
