

## Ag Help Wanted

### Guidelines for Managing Agricultural Labor

A full-color, 250-page book presenting principles, practical examples, legal considerations, and leads to more references in six main chapters: 1. Roles and Responsibilities of an Agricultural Employer, 2. Organizational Planning, 3. Staffing the Farm Business, 4. Supervising Agricultural Work, 5. Managing Employee Performance, 6. Communication and Problem Solving.

The companion website, provides supplementary material online, as well as Problem Work Situations: Working With Employees - a series of nine sets of brief vignettes that illustrate approaches to one-on-one communication in problem situations.
